

Chung-Yuan Mou

Professor
NATIONAL TAIWAN UNIVERSITY

Prof. Chung-Yuan Mou received his B.S. degree from National Taiwan University and earned his Ph.D. in Theoretical Chemistry from Washington University in St. Louis (1975). Since 1978, he has been on the faculty of Chemistry department of National Taiwan University. At present, he is University Chair professor at NTU.

He has received many awards, including National Chair Professor (2000-2003), Cozzarelli Prize of the National Academy of Science of USA (2007), TWAS chemistry award (2014). His research interest includes synthesis and application of mesoporous. Applications include biomedical carrier, supercooled water, heterogeneous catalysis, and biomineralization. He has published ~ 330 SCI scientific articles.
